Aquatech Assigns Local Marcellus Shale Point Person

CANONSBURG, Pa., November 2009 - Chuck Kozora, Regional Business Development Manager, has been appointed the key point contact role within Aquatech for topics relating to the treatment of the Marcellus Shale flowback and produced waters. He operates out of corporate headquarters located in Canonsburg, Pennsylvania, which is within a short drive of all the Marcellus shale drilling sites and, for many, a local phone call for assistance.

Chuck's contact details are:

Chuck Kozora
Aquatech
Tel: 724-746-5300 x307
Fax: 724-746-5359
E-mail: producedwater@aquatech.com

About Aquatech

Aquatech is a global leader in water purification technology for industrial and infrastructure markets with a focus on desalination, water reuse, and zero liquid discharge. The company is headquartered in the United States, has offices throughout North America, and significant presence worldwide through subsidiaries in Europe, the Middle East, India, and China.

Aquatech strives to provide Technology Leadership and Performance Excellence to the Global Water Industry and aims to support its clients with cutting edge Sustainable Solutions, minimizing their Life Cycle Cost, as well as their Carbon and Water Footprint.
